

PROCLAMATION
BY THE
Governor of the State of Texas

TO ALL TO WHOM THESE PRESENTS SHALL COME:

I disapprove, and am vetoing and filing with the Secretary of State House Bill 1029. This bill creates the Long Island Utility District in Cameron County, Texas, as a conservation and reclamation district.

The area is presently uninhabited and is the source of a severe dust control problem to surrounding inhabited areas. Creation of a utility district on the island could delay the initiation of sound dust control measures by existing governmental entities, including the State of Texas. For this reason, I believe further study should be given to this matter and action deferred until a subsequent session of the Legislature.

House Bill 1029 was received in the Governor's Office on May 27, 1967, less than 10 days prior to the adjournment of the Regular Session of the 60th Legislature, and in accordance with Article IV, Section 14 of the Constitution of Texas, the Bill, together with this Proclamation, is filed with the Secretary of State.

IN TESTIMONY WHEREOF, I
have hereunto signed my name
officially and caused the seal of
State to be affixed hereto at
Austin this day of June, 1967.

Governor of Texas

By the Governor:

Secretary of State
